

MAXIMUM CUT PROTECTION. BUILT FOR PRECISION.

RECOMMENDED APPLICATIONS
SHEET METAL • FABRICATION •
MAINTENANCE • ASSEMBLY

PRODUCT INFORMATION

Designed to offer the wearer cut resistance to ANSI A6. A reinforced thumb crotch adds extra durability. Suitable for use with touchscreen devices. The breathable 18-gauge liner offers optimal dexterity and comfort. Exceptional grip in wet and dry conditions with nitrile palm coating. Highly Durable. Reflective label increases visibility of the glove in poorly lit areas.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products.
